## President's Message

By David Rumsey

Howdy Everyone,

Well, another month went by, seems like time is sure flying by pretty darn quick these days. We just had our Kennedy Meadows Campout a couple of weeks ago or so. It was a good one. I think this is one of the first times I have ever been to Kennedy that it did not rain. The weather was beautiful, the fishing was good and the camaraderie great. I got up there on Wednesday and stayed until Sunday. Garrett gave me a hand setting up camp; more like set up my camp. After that we went and did some fly fishing, which worked out pretty well for the most part. We caught plenty of fish, but the river was just a tiny bit deeper in some areas than my boots. Thursday I had to drive down to Modesto and back to take care of some business that I could not get out of. That kind of put the kibosh on my Thursday's activities. Friday I went out and did some more fishing for a little while, then just hung out at camp. Saturday was a nice, relaxing day. Again, I just did a little fishing and hung out at camp and enjoyed the scenery and waited for the Dutch oven gathering later in the evening. We had another great turnout at the Dutch oven gathering with plenty of food; afterwards sat around and listened to Lance Kell. After a while of listening to Lance, some of our members decided they were born to sing, and sing they did! It was a great time had by all. The next day I went and enjoyed Cowboy Church. Doug did a great job. I then went over to start breaking down camp and a crew came over and gave me a hand breaking down the tent, pop-up, tables - you name it and they did it. I want to thank Garrett, Carl and Julie Perry, Jim and Chris Westmoreland, and Cheyenne. I know I am forgetting some of you, and I apologize for that, but without the help you all gave me I would not have been able to come up this year and enjoy the mountains and time with you all. So once again, thank you all for the help.

We had a work party at Clark Fork putting up our new sign and hitching rails. They did a great job. If you get a chance, go up and check it out. The sign looks outstanding and the hitching rails look nice and stout. Another work party went out of Gianelli and cleared some trails. Keep up the good work people. That's about it for now.

Thanks everyone  
David

**Are Your Membership Dues Due?**

By Kathy Zumbrunn

In this crazy-busy life we lead sometimes it is too hard to remember all the things we need to do. So is the case of when our Mid Valley membership is due for renewal. So I have decided to help you out! Each month I will list everyone who is due for the next two months, and if your name is listed, please fill out the membership application in this newsletter, mark it "Renewal" and send it in. This will make sure your membership keeps up-to-date and you will also make Chip Herzig's job a bit easier too!

**BE SURE TO MAKE YOUR CHECK OUT TO: BCHC MEMBERSHIP, CHECK "RENEWAL" AND SEND IT TO THE ADDRESS ON THE APPLICATION FORM.**

And if you have had any changes, such as email address, phone, etc., please note it on the renewal.

I have included the current month because if dues are not renewed, your membership will expire. Please do not let this happen. Thank you for your time and assistance.

## Quote of the Month

To be loved by a horse, or by any animal, should fill us with awe — for we have not deserved it.

Marion Garretty — From the Quotable Horse Lover

By Crystal Dalby

### Busy Sunshine month...

Loretta Serpa had an accident on a mule while helping with the Gianelli Trailhead clearing. After having to ride back with some significant injuries, she had to be Medi-Flighted to a nearby hospital. Thankfully, she seems to be healing nicely! We will keep her in our thoughts as she continues to make a complete recovery.

Dennis Wetherington got kicked in the chest by Loretta's mule during the same incident. No major injuries but of course he was a bit sore, as to be expected!

Norma Kohlbaker had an incident where her mule spooked and she came off. She had no major injuries. But as most of us know, any falls off these equines are never pain free.... Hope you're able to recover quickly!

Roy Jones, while getting ready for Kennedy Meadows camping trip, fell from his e-bike. He broke his clavicle and four ribs. He is quite sore. I told him we need to bubble wrap him!

Grace Bloom, daughter of Matt Bloom (who owns Kennedy Meadows Pack Station) had to have brain surgery last week to have tumors removed. I hear she is home and on the road to recovery.

We send positive thoughts and prayers to these and all others who may not have gotten to me. If you need some sunshine sent your way, let me know. I would like to hear the good also! New baby? Got married? New Job? Please let me know! Text is the best way! But you may get a hold of me any way you need!

**RIDES**

BY Jim Westmoreland, Rides Chairman

Invitation to all members of the Mid Valley Unit of Backcountry Horsemen of California.

We invite all members to join us on a ride and camp out at Clark Fork Horse Camp which is near the Carson Iceberg Wilderness. We will be there September 5th through the 8th. You are welcome to come even if you can only come for a day. Come and see the improvements we have made to this great horse camp managed by our unit and the many trails that we had cleared for everyone to ride or hike. Please plan to bring a dish for a potluck dinner on Saturday evening at the group camp starting at 6:30 p.m. Any questions concerning this event, call my number (209) 815-3125. Thanks, and we hope to see you there!

**Thank You, Dutch Oven Cooks**

By Terri Arington

As always, the Tuolumne County Farm Bureau extends a great big "THANK YOU" to all the Mid Valley Dutch oven cooks who donated their time and expertise in providing us with super delicious desserts! To the ones who cooked at home and sent desserts, we're so sorry you couldn't attend, and so much appreciate that you took the time to cook at home. We all know the hot weather was brutal leading up to the event, but fortunately it was reasonably tolerable by late afternoon and evening. We all were disappointed with the poor attendance and that could be attributed to a few things, which we will discuss at our next Board Meeting. But, as usual, the food was great and our Auction was a huge success and those who attended had a great time.

Once again, please accept our sincere thanks for what you do to help support our Farm Bureau and all proceeds go to youth scholarships and educational programs. Gotta keep those kids involved in organizations like Farm Bureau and Backcountry Horsemen. They are the ones who will gather up the reins after us!

We appreciate all of you for the support in so many ways.

Terri Arington

# Kennedy Meadows Campout and General Meeting

By Ashley Dollarhide

Thank you to everyone who came to the Kennedy Meadows Campout. You all made it an amazing weekend. Between the Cornhole tournament and the tack swap, we were able to raise funds for our Unit and offset costs. The weather cooperated for us and Saturday night was filled with delicious dishes, fun music and a lively auction. The weekend is already booked for next year on July 17th -20th, which will, hopefully, be more accommodating for more kids and grandkids to join us. We would love to have more kids next year so we could have kids' activities and inspire our younger generation to be more active with Backcountry Horsemen.

Thank you to Ashley Mello for a great and informative demonstration on saddle fitting and equine bodywork and Garrett Dollarhide for an informative demonstration on packing mules. Hope to see you next year!

# Tuolumne County Farm Bureau Barbecue Report

By Kathy Zumbrunn

Another year and another great turnout of Dutch oven cooks for the Tuolumne County Farm Bureau Barbecue Fundraiser. Some of us made our desserts in our air-conditioned homes and bought them up, others braved the weather and cooked on-site! As it turned out, the day wasn't overly hot, around 98 degrees, with a nice breeze, and it cooled off nicely in the evening. Terri made sure there were misters to help keep everyone cool, and we all actually had a wonderful time.

The cooks in attendance were: Lloyd and Susan Erlandson, Sandy and Barbara Newsome, Nicole Jones, Roy Jones, Vicki Morales, Jan Lewellen, Mike Groeger, Michael King, David Rumsey, Mikayla Rumsey, Denise Stephens (David's sister), Larry Souza, Jerrie Thomas and myself. Some cooked two desserts, expecting a huge crowd. But unfortunately, the crowd was about half of what is usually is! So, needless to say, we had a lot of desserts left over. But, as I always say, it is better to have too much than run out! These are some of the mouth-watering and delicious desserts served up that night: Chocolate Cherry Delight Cake, Cherry and Peach Cobblers, Cherry/Pineapple Cobbler, Apricot Pie, Chocolate Cake, Pineapple Up-Side-Down Cake, Pear Spice Cake, Chocolate Bars and Sugar Bar Cookies. Plus, lots of whipped cream to top it all off! I must say everyone loved the choices, and some even came back for seconds! Great job everyone!

Jerrie Thomas also took advantage of the crowd and set up a little booth with our Bronze Statue and actually sold nine tickets there! The drawing results are in this newsletter.

All in all, it was a very successful venture. Terri does so much for Backcountry Horsemen, and Mid Valley Unit, therefore it is our pleasure to do something for her.

## YOU ARE VERY IMPORTANT

By Kathy Zumbrunn

Yes, every member of Mid Valley Unit is very important! And we welcome any input you have to make our unit a great one. What is also very important is keeping all your information up-to-date in order to help us communicate with you.

One of the important parts of communication is our newsletter, the MV Monthly, which comes out every month, usually the third week of the month. This helps our members find out what has been going on the previous month, and what events are coming up in the coming months. Most of our membership receives the newsletter via email, but some still receive it by mail as a paper copy.

This is where I need your help. Unless you tell us, we do not know if you are receiving your newsletter, be it via email or snail-mail. It is very important that you keep your information current. If you change your email, mailing address, phone number or name, this needs to be taken care of immediately.

Either of these two members can take care of that for you.

Chip Herzig – State Membership Chairperson: [chipherzig@gmail.com](mailto:chipherzig@gmail.com)

Barbara Riner – Mid Valley Membership Chairperson: [bbaglione@gmail.com](mailto:bbaglione@gmail.com)

Or, you can even contact me and I will be happy to pass on the information.

Kathy – (209) 765-4923 or [runningzranch@gmail.com](mailto:runningzranch@gmail.com).

Thank you for your help.

## WE ALWAYS NEED JEANS

By Kathy Zumbrunn

I am still collecting old jeans for the Mitchell Community Church in Turlock. This wonderful group of quilters keeps making beautiful quilts to sell at their annual Christmas Bazaar. But they are also very generous and donate at least two lovely quilts to us each year in thanks for our old, worn out jeans. They can be old or new, torn or tattered and any color. All I ask is that they are clean.

If you have any to donate, you can always bring them to the monthly Mid Valley meeting, or give me a call (209) 765-4923 and I can arrange to pick them up.

Thank you!

## Gianelli Work Party

By Carl Perry

On July 20<sup>th</sup> a group of Mid Valley members drove up to the Gianelli Trailhead in preparation of clearing a fallen tree in the wilderness of the Stanislaus National Forest. This tree happened to be 5½ miles in from the trailhead. The time to reach the tree was about 2½ hours. The tree has been blocking the trail for at least five years. There were several makeshift trails around the downed tree, one of which was an unsafe reroute. The job took about two hours to complete. We had two crosscut saws sinking their teeth into the petrified log. We rotated sawyers quite often, but the backcountry horsemen won the battle. Our members who participated in this challenge were Dennis Wetherington, Dennis and Loretta Serpa, Doug and Cathy Dollarhide, Carmen Olsen, John Schaapman, Lee Owing, Carl and Julie Perry. Thank you to everyone who helped.

## Winner of the Bronze Statue

By Jerrie Ann Thomas

Well, we finally have a winner: Anna Baglione. It couldn't have gone to a more perfect person. Anna's family have been members of the Mid Valley Unit for many years, and Anna took to packing right away.

She practiced diligently and joined the Intercollegiate Pack Team. They went on to become the World Champion Pack Team at Bishop Mule Days. Anna is now a Senior Utility Arborist for Southern California Edison. She worked at Rock Creek Pack Station in Bishop since 2012, and still fills in when needed, doing what she loves! She also is in her second term as President of the Eastern Sierra Unit of Backcountry Horsemen of California. So, as you can see, she was the right person to win this gorgeous statue!

This beautiful, bronze statue was donated by Mid Valley Unit member, Sharon Power, and all the money earned from selling tickets goes to promoting youth activities and to help clear our trails for everyone's use. Sharon is an artist of all mediums: oil and watercolor paintings, pencil art, and sculpture. She also created the artwork for our logo, which is on our unit's apparel, banners and our Dutch oven trailer. She has been very supportive of our unit, and we send a "BIG THANK YOU" for this very generous donation!

# Clark Fork Donations

By Vicki Morales

Thanks to many, our unit has received donations from horsemen who have enjoyed camping at Clark Fork. The improvements at the camp are due to these donations. Just recently new signs and hitching posts have been installed. In the past road work was done, and also bathroom improvements, table repair and painting. The donations pay for the supplies. The work is happily done by our Mid Valley members on a voluntary basis.
