President's Message

By Barbara Baglione-Riner

Happy Spring everyone!

Now that Spring is here, that means better riding weather. Very exciting for us horse-people! I hope everyone is having a good month so far. March came and went very fast. My family and I just finished moving to our new home in Escalon, so we have been very busy. We are looking forward to being more settled in and living closer to my parents (only seven minutes away, yay!).

I know our members have been very busy as well. I was happy to hear that things went well at the Double Bar G Ranch ride and some were able to enjoy a beautiful ride at Red Hills in Jamestown this past weekend. There is currently a trail ride planned for May 3rd at Peoria Flat and June 14th at Lyon's Reservoir as well. If interested please reach out to Jim Westmoreland.

This month our unit is having our annual Spring Campout at the Gaiser Ranch in Chinese Camp, the dates for that are April 25 – 27. If you are unable to come for the entire weekend, there is an option to come up for the day on Saturday. We hope to see you there and I look forward to seeing everyone on Saturday afternoon! I hope everyone has a great April and please remember all are welcome to attend our monthly board meetings. Our board meetings are held every second Tuesday of the month and Perko's Café in Riverbank starting at 6:30 p.m.

All the best,
Barbara Riner

Are Your Membership Dues Due?

By Kathy Zumbrunn

In this crazy-busy life we lead sometimes it is too hard to remember all the things we need to do. So is the case of when our Mid Valley membership is due for renewal. So I have decided to help you out! Each month I will list everyone who is due for the next two months, and if your name is listed, please fill out the membership application in this newsletter, mark it "Renewal" and send it in. This will make sure your membership keeps up-to-date and you will also make Chip Herzig's job a bit easier too!

BE SURE TO MAKE YOUR CHECK OUT TO: BCHC MEMBERSHIP, CHECK "RENEWAL" AND SEND IT TO THE ADDRESS ON THE APPLICATION FORM.

And if you have had any changes, such as email address, phone, etc., please note it on the renewal.

I have included the current month because if dues are not renewed, your membership will expire. Please do not let this happen. Thank you for your time and assistance.

The horse you get off is not the same as the horse you got on;
it is your job as a rider to ensure that, as often as possible,
the change is for the better.

By Crystal Dalby

We have a few get well wishes this month.

First we send our thoughts and prayers to Janet Esho at InPrint Printing.

Although she is not a Mid Valley member, she is the dedicated lady who works with our newsletter committee to make our newsletter the award winning newsletter that it is. Janet's husband, Sam, had surgery a few weeks ago and is having some issues with recovery. We send get well wishes to him and our support to Janet as well.

Get well wishes are sent to Jack Peebles who recently had surgery on his leg. We hope all went well and wish you a speedy recovery, Jack.

And we continue to send Vicki Whisler get well wishes as she continues to seek doctors to figure out what exactly is wrong with her arm!

If you need some sunshine sent your way, let me know. I would like to hear the good also! New baby? Got married? New Job? Please let me know! Text is the best way! But you may get a hold of me any way you need!

Dutch Oven Report

By Vicki Whisler

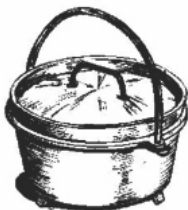

Well, I'm still dealing with my injured arm and not able to do too much, but at least I'm getting around and in less pain! There isn't too much new Dutch oven news, but here is what I have.

Our next Dutch oven event will be at the Spring Campout and Ride on April 25 - 27. This will be held at the Gaiser Ranch in Chinese Camp and will be lots of fun. The Dutch oven potluck will be on Saturday, April 26th. If you can't come and camp for the weekend, then come on up on Saturday and enjoy the food and fun!!

Once again Terri Arington is asking for our wonderful Dutch oven cooks to help out at the annual Tuolumne County Farm Bureau Barbecue and Auction at the Hurst Ranch in Jamestown. Our Dutch oven desserts always get rave reviews! The date is Friday, July 25 and for more information, please see Terri's article "Save The Date" in this newsletter. Please give her a call and let her know you can come and cook. It is always a fun evening.

And again, I'd like to ask all our members to put their thinking caps on and find some new places for us to hold our DOGs. Since Michael's idea of holding it at a public park turned out so well, we are looking to do more like it. So send in your ideas. There are a lot of nice parks and recreational areas around here. If you don't want to host one, I am sure someone will. But we need some ideas please! You can send in the ideas to me, text is best.
(209) 480-0566

Thank you and have a wonderful day!

SAVE THE DATE!

From Tuolumne County Farm Bureau

Greetings Mid Valley Dutch Oven Cooks.....just looking ahead a few months and want to let everyone know that we will, once again, be hosting our Annual BBQ and Auction at Hurst Ranch in Jamestown on Friday, July 25.

As always, we're hoping that we can get a group of cooks to come up and prepare some of your delectable, delicious desserts.

Social Hour is at 6:00 p.m. and dinner at 7:00 p.m. We're hoping for a good turnout and know that your desserts are always a big hit!

More information will be coming, and if you need additional information, you can call or text me. Thanking you in advance!

Congratulations To Our Newsletter Staff!

By Jerrie Thomas

I want to congratulate Gail Jamieson, Vicki Morales and Kathy Zumbrunn for their dedication to our Mid Valley Monthly newsletter. At Rendezvous this past weekend, they received the BCHC Max & Irene Cochran Journalism Award for best newsletter!

It takes a lot of time to put a newsletter together. Unless you have worked on a newsletter, you do not realize how much time it takes. These ladies work hard to make our newsletter the informative and excellent one that it is!

And I'd like to thank them for letting me help. Sometimes they need me to pick them up from the printer, fold, label, stamp and get them into the mail on time. It is fun, too!

So congratulations, ladies! A job well done!

Rendezvous Report

By Kathy Zumbrunn

Another year and another Rendezvous has come and gone! This year it was held in Corning at the Rolling Hills Casino Equestrian Center. And what a fabulous venue it was! Everything was held under two huge, covered arenas. The weather was pretty warm on Friday, cooler on Saturday (very pleasant) and windy on Sunday! There seemed to be a good-sized crowd of BCHC members; but, unfortunately, I didn't see too many from Mid Valley! I know there were five of us, maybe a few more I didn't find, but we were definitely lacking in numbers! Most of the members were from the northern end of the state.

For those of you who don't know too much about BCHC Rendezvous, one interesting part of the event is a fundraising shopping spree! Each unit is supposed to send \$2 per member to be spent at the vendor booths. This supports our vendors, plus all the goods are then put into the raffle, silent auction and live auction during the two dinners.

Now I was given a good amount of cash to spend at the vendors, and let me tell you, it was so much fun purchasing beautiful things for the auctions! I had a blast, and I bought so much that I was called the "Super Shopper!" I also thought it was brave of Mid Valley to send me to a casino with so much cash! Well, they must know that I am not a gambler, so the money was safe!

At Saturday night's dinner, Ken Graves stepped on stage and asked the young packers to come up. Seven young men and women stepped on stage. What a great group of youngsters, and there were more at Rendezvous, just not at the dinner that night. These young packers are our future. This is what BCHC is all about...passing on the tradition of packing! Such a wonderful sight!

Everyone seemed to have a good time visiting the "Saw Instructors" and learning about the different kinds of crosscut saws and how to sharpen them. Mid Valley member Dave Moser was there having a great time talking about the crosscut saws, describing how to sharpen them, and had fun letting people (mostly the youngsters) use a crosscut saw and receiving a "round" to take home!

Anyway, there were many interesting educational talks and demonstrations, an interesting obstacle trail course, nice dinners and lots of wonderful items to choose from in the silent and live auctions. All in all I believe everyone found some interesting things to see and do while there.

See you all next year!

Rides Report

By Jim Westmoreland

Hello to all you trail riders out there. Since my last report we have had two trail rides. I guess you could say the first outing wasn't really a trail ride, but an obstacle course for horses. We met at the Double Bar G Ranch in Stevenson for the activity. Terry, our host, was busy trying to complete the bathrooms for our event. His ranch in Stevenson has over 45 obstacles to challenge your horse in many different ways. We had 28 riders who took the reins and met many of those obstacles with great success. I was very impressed with the way our members handled their horses and instilled confidence in themselves and their mounts. After a few hours we broke for lunch with Costco hotdogs and chili. After consuming the hotdogs and chili, some left for home while the rest of us continued to work on our horsemanship. I was pleased there were no mishaps, as safety is our number one priority. Hopefully, we can make this an annual outing and increase our horsemanship and confidence in overcoming obstacles.

The second outing we had was a true trail ride up at the Red Hills Recreation area. I believe we had close to 20 riders. The parking lot was full of cars and horse rigs as hikers and riders alike were enjoying the day. We split up into three groups, each taking various trails according to their difficulty. Those who went with me were on the most challenging trail with steep inclines and descents. We had a very enjoyable ride. It was a beautiful, sunny day and all the wildflowers were in bloom. This time of year is the best time to ride that area as there are many creeks flowing and flowers blooming, including the Indian paintbrush. Members on the ride sent me many pictures. If you would like some, let me know and I'll send them to you. A special thank you to all of those who participate and support us in these activities.

Your Ride Chairman, Jim Westmoreland (209) 815-3125

Mark your calendars for our upcoming rides:

May 3 - Peoria Flat Road, Jamestown

Ride out at 10:00 a.m.—bring a lunch

June 14 - Lyons Reservoir

Ride out at 10:00 a.m.— bring a lunch

Thank You For Your Help!

By Kathy Zumbrunn

As one of the newsletter staff, I have recently been asking you to send your articles to me before the "Friday at midnight" deadline. And all of you have been so nice to comply. I have really appreciated your cooperation, because you don't know how much that helps when there are other things that come up which makes it hard to get the newsletter done in a timely fashion. I am a stickler about getting the newsletter out as soon as possible in the third week of the month. Anyway, I want to say "THANK YOU" to each one of you for helping me out.

Springtime Checklist

By Dr. Carol Van Hoogmoed

As the weather gets better and we start planning trips to the backcountry, now is the time to prepare. This means giving our horses plenty of time to condition, update the medical requirements and address any hoof issues. Then we can prep all the equipment needed.

Core vaccines are given yearly in the spring, which include Eastern and Western Encephalitis, Tetanus Toxoid, West Nile and Rabies. The risk-based vaccines Influenza and rhinopneumonitis are given twice yearly in the Spring and Fall. There are other vaccines available, such as strangles and the rattlesnake vaccine. Discuss with your veterinarian if these vaccines are warranted in your particular case. Ideally, any vaccine should be given a minimum of two weeks to boost the immune system; so if you give them a day before you leave, your horse probably won't be protected. Deworming should be done at least twice yearly, with fecal exams done between deworming to monitor parasite load and identify those horses who seem to carry a high burden of parasites and need more frequent deworming. Dental exams will help, not only with mastication, but also the comfort level and performance of horses. Sharp points, abnormal wear/chewing, feed packed between teeth and fractured teeth are just some of the issues that can be found and treated with a dental exam. By doing the annual health exam, vaccines and dental, your horse will be ready to start conditioning for the backcountry.

To ensure your horse has just as enjoyable time as you, make sure your equipment is in good shape and fits your horse well. Check for rusty points/edges on the pack boxes, straps and ropes are clean, in good repair, halters aren't frayed and buckets aren't broken. Make sure trailer tires are in good condition, floorboards are strong, no loose partitions or windows in the trailer. Look at it from a horse's perspective to help prevent accidents.

Just in case there is an accident though, make sure to go through your emergency kit. Replace old or expired medications, bandages that are still usable, and anything that was taken out has been replaced (scissors!). You can call Sweet River Equine Clinic for a list of suggested emergency kit items.

Hopefully, by being proactive and going through your checklist now, when it is time to hit the road you will not be delayed by sick animals or equipment failures. When that nice weather is here you will be ready to enjoy the mountains!

A Few Changes

By Kathy Zumbrunn

Recently, John Marshall had to step down from his duties on the Board of Directors and Parades Chairperson due to some personal issues. First of all, we want to thank you, John, for all the work you have done for the Mid Valley Unit. You have always stepped up and been an exemplary member of this unit! We know you will still be around and join in when you can. We wish you well and hope that, in time, you will be able to come back and take over some of those duties again.

At the last board meeting those positions were filled. David Rumsey was chosen to take over the remaining term on the Board of Directors. The Parades Committee will be co-chaired by Carlena Kellogg and Barbara Savery. We want to thank all of you for stepping up and filling in for John and know that you will do an excellent job.

Help Needed At Bishop Mule Days BCHC Saw Station

By Anna Baglione

We are in need of some volunteers to help at the BCHC Saw Station at Bishop Mule Days. There needs to always be at least one sawyer (saw card holder) present at all times the station is open, but anyone can help if they are present. That sawyer person doesn't necessarily need to be overseeing, just in the booth or station area. As we have done in the past, we usually have our BCHC booth set up adjacent to the Saw Station, so this sign-up is only specific to the Saw Station. But, if you would like to volunteer in the BCHC booth, we could use your help there, too!

Also, anyone who volunteers for either booth is considered a Bishop Mule Days volunteer and there is lunch provided each day for all! Refreshments are also available all day in the Tallman Pavillion for volunteers.

If you can help, please contact me at: (209) 918-1210 or easternsierrabch@gmail.com

Thank you.
