President's Message

By Barbara Baglione-Riner

Hello members!

It's hard to believe we are already halfway through summer! It has certainly been a busy one, and this past weekend at our annual Kennedy Meadows Campout was a great time, as usual. There were so many laughs shared, plenty of dancing and singing, amazing food, beautiful trail rides, fishing, and relaxing around camp with great friends. I want to give a very special thank you to Stephanie Stott for all the time and effort she put into organizing this year's campout. We truly could not have done it without her! I'd also like to thank Jerrie Thomas and Larry Souza for helping with our unit trailer and making sure all our supplies made it safe to camp. It takes a team to make weekends like this happen, and we appreciate everyone who pitched in.

On the home front, things have stayed just as busy. My internship continues to go well, and I recently wrapped up my first summer course and jumped right into my second. Between work, school, family, and squeezing in a little time for swimming and riding, this summer has flown by. Even with August just around the corner, we still have plenty to look forward to. Our next opportunity to get together as a unit will be on Monday, July 27, at the 4-H activity at Woodward Reservoir in Oakdale beginning at 5:00 p.m., where our unit will be putting on a couple of demonstrations. Then, August 20–23, some of our members will be camping at Clark Fork. Looking a little further ahead, we'll also be representing our unit at the Denair Farm and Family Festival on September 12, and Cathy Dollarhide will be sharing additional details as plans come together. I'd really like to encourage everyone to get involved whenever you can. Whether it's helping at an event, attending a campout, or volunteering for a demonstration, every little bit makes a difference. Your time counts toward volunteer hours, but more importantly, it helps represent our unit and everything BCHC stands for. I hope the rest of your summer is filled with great rides, good company, and plenty of time outdoors. I look forward to seeing everyone again very soon!

Happy trails and stay cool,

Barbara Riner

By Kathy Zumbrunn

In this crazy-busy life we lead sometimes it is too hard to remember all the things we need to do. So is the case of when our Mid Valley membership is due for renewal. So I have decided to help you out! Important Membership Notice!

By Kathy Zumbrunn

At our last board meeting we had a discussion on the number of expired memberships and what to do about them. It is sad to see how many memberships have expired, and we needed to decide what to do about it. Kaitlyn, our Mid Valley Vice President and Membership Chairperson, tries to contact the expired membership people to remind them that their dues are due. We also publish the "Are Your Dues Due" section in the MV Monthly newsletter for the current month and the following month. Sometimes this works, but most times it does not. It was decided by the board of directors to allow for only 90 days of delinquent dues, then the membership will be dropped.

It is up to you, the members, to renew your membership on time. We do the best we can to notify you and remind you. So please, when your dues are due, please send them in right away. If you have any questions regarding when your membership is due, you can always contact Kaitlyn Rumsey (kaitlynnrumsey@gmail.com), myself (runningzranch@gmail.com), or the State Membership Chairman, Chip Herzig (chipherzig@gmail.com).

Our members are very important to us. Thank you for your consideration, and for making the Mid Valley Unit one of the biggest and best in California!

We have a few Mid Valley members who are in need of our get well wishes and prayers this month.

Vernon Storment has been having a hard time from the effects of the cancer treatments he's receiving. Prayers and well wishes for him to give him the strength he needs to get through this!

We need to send get well wishes to Jon Caudill, also. He came down with shingles on his head and face at the end of May. Even though the blisters have cleared up, he has been left with a 24/7 headache and severe sensitivity to sunlight. The doctors say this will clear up eventually, when it is ready! So hang in there, Jon, and we hope you feel better soon.

Kathy Zumbrunn was in the E.R. all Friday night suffering from kidney stones! Ouch! She said what was worse, it kept her from attending the Kennedy Meadows potluck and general meeting on Saturday! We hope you feel better soon.

We send Sunshine to all others who may not have gotten to me. If you need some sunshine sent your way, let me know. I would like to hear the good also! New baby? Got married? New Job? Please send me the information! Text is the best way! But you may get a hold of me any way you need!

Kennedy Meadows Campout and General Meeting

By Gail Jamieson

From my perspective of this event, Kennedy Meadows campout was a lot of fun. Every year I look forward to this campout. The weather was perfect. I had a chance to visit and reconnect with old friends, ride with some of my best friends, and make new riding friends.

Tracy Wheelock of Juxtapose Equine worked on my horse, Jet, on Friday. Tracy also used Jet as a demonstration horse in her Saturday afternoon demonstration. Jet loved the stretches!

My husband, Doug, enjoyed the mountain air and cooked our Saturday night Dutch oven dinner of vegan Jambalaya. He also bought me a couple of new shirts and himself a hoodie from our well-stocked merchandise inventory.

The General Meeting was short and sweet, with an emphasis on the Interscholastic Pack Team members and their coaches. The team members presented coach Carl Perry with a framed photo of the Interscholastic Pack Team at Bishop Mule Days, where they won the World Championship Title.

The rides were great. (I had one extraordinary adventure on Saturday morning's ride that I will write about in a "Lessons Learned" article in a later issue.) There were lots of training opportunities for my horse, such as the mud puddle in the main road, or just hanging out between the rows of port-a-potties. I never knew when someone would come out of one of those big green boxes!

I am already looking forward to going next year!

Hold the Jeans!

By Kathy Zumbrunn

Over the years I have asked you to save your old jeans and donate them to the Mitchell Church ladies, who have made beautiful quilts out of them for us. Well...we have donated so many jeans they have finally reached their limit! They have a container full of jeans at the moment. So, I'll let you know when they are ready for more. Thank you for all your donations!

Clark Fork Campout Report

By Jim Westmoreland, Ride Chairman

On the weekend of June 20, we had our Mid Valley Unit annual Clark Fork campout and ride. The weather was variable with some rain and hail, which was preceded by lightning and thunder, but beautiful sunshine prevailed much of the time. We had 16 members participating in this event. There were no organized rides planned, so everyone just rode when they wanted to with whomever they wanted to ride with. The Clark Fork Trail and the Arnot Trails were open, thanks to Carl Perry and his work crew's diligence the week previous. The Clark Fork River was low for that early in the season, so it was easily crossed. Maggie Stein's dog finally got the hang of river crossing.

There were trout caught in abundance by Gauge Perry and were shared and consumed by those of us who were privileged to be in his camp. As we were riding up the trail on Friday, we came across a Ranger who was planting the trout in the river. He said he does plants in that part of the Clark Fork River every Friday throughout the season. We observed that some of the fish were a good size and would probably put up a good fight if hooked.

I believe the highlight of the campout was our Dutch oven dinner on Saturday night. There was everything from tri-tip, provided by Ron Stearns, to a potato dish, prepared by Dear Burgoin, which was my favorite. And, of course, the delicious desserts!

Thanks to everyone who attended and contributed to a great campout!

Save the date: August 20 - 23. We will be heading back up to Clark Fork for another campout and ride. I hope to see you all there and bring your fishing poles!

4-H Summer Day Camp at Woodward Reservoir

By K.D. Alwast

Hello everyone! My name is K.D. Alwast. For the past two decades, I have been a Stanislaus County Horse Project leader. Each summer, the leaders from each Community Group within the county put on a Summer Day Camp for all Horse Project members to participate in. One week filled with fun, new horse related events for the kids to expand their knowledge and skills that they can pick and choose to attend, including Polo, Mounted Police Units, Trail Trial rides at a popular venue, and Vaulting demonstrations.

The week always begins with a group ride at Woodward Reservoir. Members can bring their own horse, or share horses belonging to project leaders.

This year, we are once again starting the week with our ride at Woodward Reservoir, and have invited members of the Mid Valley Backcountry Horsemen to share what this group does for the trails in our state, and demonstrate mule packing and Dutch oven cooking with a dessert they can enjoy at the end of the day.

Our goal as leaders is to keep the horse legacy alive by expanding youth members (ages 9 to 19) education about other activities that include riding. Backcountry Horsemen provide a lifetime of opportunities for these young people to commit to.

We are so excited to have them join us on July 27th! I will be submitting a follow-up article including pictures for the August BCH newsletter!

Respectfully,

K.D. Alwast

Dutch Oven Report

By Jerrie Thomas and Kathy Zumbrunn

Well, I will say the Kennedy Meadows Campout and potluck was a huge success! We had sent out a request for people to bring food and desserts according to the first letter of their last names, and boy did that work out well! Everyone had enough to eat and I think there was even food left over. So thank you to everyone!

Don't forget the Tuolumne County Farm Bureau Annual BBQ and Auction on July 24th. We always cook desserts for their potluck. If you can come, please contact Terri Arington ASAP! Look for her information in this newsletter.

Our next "call to Dutch oven cooks" is on July 27th, just around the corner! As you will read in K.D. Alwast's article in this newsletter, we have been asked to do a Dutch oven demonstration and prepare some desserts for her 4-H group. If you can come and help, please contact me ASAP at: (209) 985-4502 or jerriethomas1234@yahoo.com.

Then, mark September 12th on your calendar for the Denair Farm and Family Festival.

Cathy Dollarhide is checking on this event to see if we can do a mule packing demonstration and also a Dutch oven demonstration. It should be a fun event. Look in the next newsletter for more information.

That's it for now. Happy Trails everyone!
